**Rates of Postage and Conditions of Transmission.**

LETTERS—(*Inland*).

For a letter not above 4 oz. . . . . 1d.  
 And ½d. for every additional 2 oz.

A letter posted unpaid is chargeable on delivery with double postage; if insufficiently paid, with double the deficiency.

No letter may exceed 2 feet in length, 1 foot in width, or 1 foot in depth, unless it be sent to or from a Government office.

Postage on Inland Letters, &c., and Parcels may be prepaid at the Head Office in money instead of stamps, provided the amount paid be in no case less than £1. The hours of posting are from 10 A.M. to 4 P.M.

RE-DIRECTION—(*Inland*).

No charge is made for the re-direction of letters (including registered letters) whether re-directed by an officer of the Post Office or by an agent of the addressee after delivery, provided in the latter case that the letters are re-posted not later than the day (Sundays and public holidays not being counted) after delivery, and that they do not appear to have been opened.

*Re-directed* letters which are re-posted later than the day after delivery will be liable to charge at the prepaid rate; any which appear to have been opened will be charged as freshly posted unpaid letters.

NEWSPAPERS—(*Inland*).

*Newspapers*.—For each Newspaper..... $\frac{1}{2}$ d.

To have the privilege of passing through the Post as a newspaper, the publication must first have been accepted as a newspaper by the Postmaster-General, and have been placed on a register at the General Post-Office, from which it is liable to be removed, either through the non-renewal of the registration fee, 5s., year by year, or in consequence of any change which may deprive it of the characteristics of a newspaper.

A newspaper, or a packet of newspapers, posted unpaid is chargeable with double postage, if insufficiently prepaid, with double the deficiency.

Every newspaper must be posted either without a cover, or in a cover entirely open at both ends, so as to admit of easy removal for examination. If this rule be infringed, the newspaper is treated as a letter.

Every newspaper must be so folded as to admit of the title being readily seen.

A newspaper which has any letter, or any communication of the nature of a letter, written in it or upon its cover, will be charged as an unpaid or insufficiently paid letter.

A packet of newspapers must not weigh above 5 lb. or exceed 2 feet in length or 1 foot in width or depth.

BOOK PACKETS—(*Inland*).

For packets not exceeding 2 oz. in weight the postage is one halfpenny. Above 2 oz., see letter rate.

A book packet must not exceed 2 feet in length or 1 foot in width or depth.

## POST CARDS, INLAND, OFFICIAL, AND PRIVATE.

Official Post Cards impressed with a halfpenny stamp, and official Reply Post Cards impressed with a halfpenny stamp on each portion of them, can be bought at any Post Office.

Nothing whatever may be attached, except adhesive stamps in payment of additional postage or stamp duty, and a gummed label (not to exceed 2 inches long and  $\frac{3}{4}$  inch wide) bearing the address at which the card is to be delivered. The card may not be folded, nor may it be cut or altered in such a way as to reduce the size below  $3\frac{1}{4}$  by  $2\frac{1}{4}$  inches. The postage stamp also must be left intact. If any of these rules be infringed, the card ceases to be a Post Card, and is treated as a letter liable on delivery to the usual charges.

A Private Card becomes a Post Card when it has a halfpenny stamp affixed to its face. It must be composed of ordinary cardboard, not thicker than the material used for the Official Post Card. The maximum size must correspond as nearly as may be to the size of the Inland Official Card, and the minimum size must not be less than  $3\frac{1}{4}$  by  $2\frac{1}{4}$  inches. The rules stated in the preceding paragraph also apply to Private Cards.

PARCEL POST—(Inland).

Not exceeding 1 lb. in weight - - - - - 3d.  
 For each additional lb. up to 11 lbs. - - - - - 1d.

(lbs. 10 and 11 being counted and charged for as 1 lb.)

No parcel can be sent exceeding 11 lbs. in weight.

The following are the principal conditions and regulations:—

The size allowed for an Inland Postal Parcel is—

Greatest length	- - - - -	3 ft. 6 in.
Greatest length and girth combined	- - - - -	6 ft. 0 in.

In order that a packet may go by Parcel Post, it must be tendered for transmission as a parcel, and should bear the words "Parcel Post,"—which should be clearly written in the left-hand top corner.

Parcels must not be posted in a letter box, but must be taken into a Post Office and handed over the counter, and a parcel should not be left until the weight, size, and postage have been tested by the clerk at the counter. Care must be taken that every parcel bears a clear address.

If a packet bearing the words "Parcel Post," or otherwise clearly marked as intended for transmission as a parcel, is not posted in accordance with this regulation, it is treated as a letter, if it is fully prepaid, and is otherwise in accordance with the letter post regulations. If such a packet is not fully prepaid at the letter post rate, it will be treated as a parcel, and will be charged on delivery with a fine of 1d., together with the deficient postage, if any, at the parcel post rate.

Parcels which bear on the outside any writing or drawing of an indecent or offensive nature, or within which any contents of a like nature may be observed, and parcels containing gunpowder, cartridges, lucifer matches or anything explosive or liable to sudden combustion, bladders containing liquid, live animals, grossly offensive or filthy matter, and anything in a condition likely to injure other parcels, or any officer of the Post Office, are prohibited.

If any such parcel be tendered for posting, it is refused, or, if detected in transit, it is detained.

Parcels containing fish, game, meat, eggs, &c., or knives, or other sharp instruments, can only be sent if so packed as to prevent all risk of injury to other parcels. Liquids or semi-liquids are not accepted unless in bottles or cans securely stoppered; nor powders, unless so packed that they cannot escape in transmission. Bottles or glass in any form can be accepted only when so packed as to be secure from breakage. If a parcel be tendered in a damaged or insecure condition it will be refused. If a parcel in such condition is observed in transit it is, if possible, made secure and sent forward; but, if it cannot be so secured, it is detained.

Parcels known to contain a letter, packet, or parcel intended for delivery at an address other than that borne on the parcel itself are prohibited.

Parcels addressed to a Post Office to be called for, or to a person residing beyond the free postal delivery, are kept three weeks. At the end of one week, if the parcel bears on the outside the sender's name and address, a notice of the fact that the parcel has not been delivered is sent to him.

Parcels addressed to a ship are kept one month.

If, however, such a parcel contains perishable matter it is kept only 48 hours; and should it become offensive, it may be disposed of at any time as the Postmaster-General may direct.

Parcels addressed to a Post Office "to be called for," and only such parcels, are liable to a demurrage charge at the rate of 1d. a day after they have remained in the Office one clear day, counting as a day the period during which the Office is ordinarily open to the public.

No demurrage is charged on parcels addressed to persons residing outside the limits of the free delivery, or to persons on board ship.

In order to facilitate the return of parcels which cannot be delivered, it is most desirable that the name and address of the sender should appear on the outside of every parcel.

#### INLAND REGISTRATION AND COMPENSATION.

The Postmaster General will (not in consequence of any legal liability, but voluntarily, and as an act of grace) subject to the rules as to posting and packing, give compensation up to a maximum limit of 120*l.* for the loss and damage of Inland Registered Postal Packets of all kinds upon prepayment of a fee in addition to the postage. This fee either consists of or includes in each case the ordinary registration fee of 2*d.*; and the scale of fees, and the respective limits of compensation are as follow:—

##### TARIFF (INLAND).

The charge for Telegrams throughout the United Kingdom is 6d. for the first 12 words, and  $\frac{1}{2}$ d. for each additional word. Addresses are charged for.

Telegrams may be repeated at the request of the sender, if he desires to adopt this extra security against risk of error, by being signalled back from each office at which they are received to the office from which they are forwarded. The charge for repetition is one half the ordinary tariff; a fraction of a halfpenny being reckoned as a halfpenny.

The cost of a reply not exceeding forty-eight words may be prepaid.

Copies of a Telegram, directed to more than one firm or person in the same free delivery will be delivered separately at an additional charge of twopence per copy. Each London Postal District is regarded for this purpose as forming a separate Delivery.

Figures are counted at the rate of five figures to a word. Fractions are counted according to the number of figures employed, one figure being counted for the mark of division, thus— $\frac{1}{2}$  counts as one word, and  $109\frac{1}{2}$  as two.

# PRUDENTIAL ASSURANCE COMPANY, LIMITED.

Chief Office: HOLBORN BARS, LONDON.

*Summary of the Report presented at the Fiftieth Annual Meeting, held on 2nd March, 1899.*

ORDINARY BRANCH.—The number of Policies issued during the year was **64,708** assuring the sum of **£6,420,580**, and producing a New Annual Premium Income of **£353,113**.

The Premiums received during the year were **£2,967,501**, being an increase of **£193,237** over the year 1897.

The Claims of the year amounted to **£975,012**. The number of Deaths was **5191**, and **2,535** Endowment Assurances matured.

The number of Policies in force at the end of the year was **534,138**.

INDUSTRIAL BRANCH.—The Premiums received during the year were **£4,960,756**, being an increase of **£167,165**.

The Claims of the year amounted to **£1,891,039**. The number of Deaths was **198,308**, and **2181** Endowment Assurances matured.

The number of Free Policies granted during the year to those Policyholders of five

years' standing, who desired to discontinue their payments, was **66,379**, the number in force being **604,564**. The number of Free Policies which became Claims during the year was **12,231**.

The total number of Policies in force at the end of the year was **12,949,679**: their average duration exceeds eight and a half years.

The Assets of the Company, in both branches, as shown in the Balance Sheet, are **£33,599,708**, being an increase of **£3,161,371** over those of 1897.

Public attention having been for some time past directed to questions of thrift and provision for old age, the Directors have had under consideration how they can further assist those Policyholders who from age and diminished earnings find some difficulty in maintaining the payment of Premiums on their Policies, and they have therefore made provision for all Policyholders in the Industrial Branch who have been assured for twenty-five years to be free from the payment of further Premiums as they attain the age of **75**. This alteration takes effect at once, and has of course necessitated a considerable addition to the Reserves.

The Shareholders will be glad to learn that the Staff Provident Fund, which was established last year on the occasion of the celebration of the Company's Jubilee, has been heartily appreciated by the Outdoor Staff for whose benefit it was founded, and a large proportion have become contributors. The total amount standing to the credit of the Fund at the end of the year was **£58,212 18s.**, and the number of the contributors was **7160**.

**SHARES AND DEPOSITS.**

**Shares.**—The Shares amount to £25 each, and are payable by Subscriptions, which may be paid Monthly, Quarterly or Half-yearly, at the rate of 2/-, 3/- or 4/- per Share per Month. As long as Interest is being charged on Advances by the Society as at present, it is estimated that payment of Subscriptions at the above rates would mature shares in 14½, 10½ and 8½ years respectively. **Deposits.**—Sums of £10 and upwards are received on *deposit* for such periods and at such rates of Interest as may be arranged.

**LOANS.**

Loans are granted on Security of House Property at

3½ PER CENT.

repayable by means of Shares; and after crediting profit thereon, the rate of Interest is about

3¼ PER CENT.

Loans may also be paid off in whole or in part at any time; but so long as the Interest is regularly paid, and the Security fairly maintained, Borrowers can depend upon Advances being left undisturbed.

## The Advantages to Assurers are:—

The PREMIUMS are so moderate that at usual ages for Assurance £1200 or £1250 may be secured from the first for the yearly payment which would generally elsewhere be charged (with Profits) for £1000 only—the difference of £200 or £250 being equivalent to

An immediate and certain Bonus of 20 to 25 per cent.

THE WHOLE SURPLUS goes to the Policy-holders, and is reserved exclusively for those Members (more than half of those who enter) who survive the period at which their Premiums, with compound interest at 4 per cent., amount to the original Assurances.

### EXAMPLES OF PREMIUMS FOR £100 AT DEATH (WITH PROFITS).

15 „ ..	3 8 5	3 12 1	3 18 0	4 5 8	4 16 2	5 11 8

\* A person of 30 may secure £1000 at death by a yearly payment, *during life*, of £20 15s., which would generally elsewhere secure (with profits) £800 only; or he may secure £1000 by 25 yearly payments of £26 10s., being thus free of premiums before age 55.

† At age 40 the premium *ceasing before age 65* is, for £1000, £32 5s.—being about the same as many Offices require during life.

The SURPLUS at last Septennial Valuation (1894) was £1,423,000. More than one-half of the Members who died during the period (1888-94) were entitled to Bonuses which, notwithstanding that the premiums do not as a rule exceed the non-profit rates of other Offices, were on the average equal to an Addition of about 50 per cent. to the policies which participated.

**ACCUMULATED FUNDS - £11,000,000.**

ARRANGEMENTS AS TO SURRENDERS, NON-FORFEITURE, LOANS ON POLICIES, IMMEDIATE PAYMENT OF CLAIMS, FREE RESIDENCE, etc., are specially liberal.
